

# Let's talk rail transport safety

A free information session

**Perth 17 October 2017**

Chamber of Commerce and Industry (CCI) Function Centre  
180 Hay Street, East Perth

## Who should attend?

Dangerous goods rail operators, dangerous goods rail consignors and consignees, emergency management professionals and government regulators are encouraged to attend this forum organised by the Department of Mines, Industry Regulation and Safety's Resources Safety division.

## What is it about?

The forum will:

- provide industry and regulators within Western Australia with the opportunity to discuss the safer management of dangerous goods transport by rail
- challenge the risk management and control of dangerous goods within your company's operations
- aim to improve the awareness and understanding of emergency response planning, management and capabilities within Western Australia
- Discuss dangerous goods safety through the perspective of national rail experts and regulators.

It is also an opportunity to network with industry operators and a chance to meet with dangerous goods officers and other regulators.
