

MINING REHABILITATION ADVISORY PANEL

COMMUNIQUE – October 2018

A summary of the Mining Rehabilitation Advisory Panel's Meeting on 8 October 2018

1. Progress of Elverdton

The Panel has endorsed the Elverdton Project Plan Stage 1 which involves undertaking a Preliminary Site Risk Assessment. This endorsement of the Elverdton Project Plan marks the commencement of the fourth pilot project to be managed by the Department's Abandoned Mines Program.

2. MRF Yearly Report

The Panel has endorsed the release of the MRF Yearly Report 2018. A Yearly Report is released each year providing annual data and projections, a financial summary, highlights the activities of the Mining Rehabilitation Advisory Panel, and achievements of the Abandoned Mines Program funded by the MRF.

3. Black Diamond

The Panel endorsed the release of a fact sheet that summarises and closes out the Black Diamond Pit Lake pilot project.
