Notes:

1. The data is accurate at the time of publication. The register is compiled from information provided by the operator of each facility. Corrections may be submitted at any time to petreps@dmirs.wa.gov.au
2. A 'No' under 'Safety Case accepted' can indicate any of the following: no submission received, submission not yet accepted, submission rejected, submission withdrawn.
2. A 'No revised Safety Case' under 'Safety case accepted' can indicate any of the following: no submission 5 years after the date that the safety case was first accepted, no submission 5 years after the date of each acceptance of a revised safety case

Facility acronyms
NNM (Normally Non Manned)
MODU (Mobile Offshore Drilling Unit)
